KALBİN SESİ

Kalbin bir gün sesini,
Organlar duyamamış.
Mideyi, böbrekleri,
Hemen bir telaş sarmış.

Komşu akciğerlere,
Bir haber uçurmuşlar.
Ciğerlerse beyinden
Nedenini sormuşlar.

Şöyle bir cevap gelmiş,
Beyinden ciğerlere :
Düzensiz yaptığın iş,
Zarar vermekte kalbe.

Aldığın hep pis hava
Elbet kalbi yoracak.
Böyle devam edersen
Belki bir gün duracak!
